11th Swedish International Small Print Exhibition 2025

Malmö International Photo Society proudly presents the 11th Swedish International Small Print Exhibition 2025, which is the only of its kind in Sweden!

After several years of highly increasing number of digital exhibitions worldwide, we felt it was time to go "back to basic" once again and organize one more exhibition with printed photos.

The exhibition has received FIAP Patronage, GPU License, ISF Label and NFFF Patronage. We would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

This year 129 photographers have participated with 514 photos.
The selection panel has accepted 145 prints for exhibition.

Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this catalogue you can take part of the prize-winning photos.

Please enjoy!
