## 5th Photorama Digital Sweden 2022 MONOCHROME

Malmö International Photo Society proudly presents the  
**5th Photorama Digital Sweden 2022** which is the only one in Sweden for  
monochrome photos.

The exhibition has received patronage/recognition from FIAP, GPU, ISF and NFFF.  
Photographers from almost 40 countries have sent their photos for assessment, and I should  
like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to  
take part of your photos.

The selection panel has accepted almost 200 images for exhibition.  
Congratulations to those who were successful, and the rest of you I wish better success in  
our next exhibition.

In this PDF-catalogue you can take part of all the prize-winning photos.

**Please enjoy!**

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Gairle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
