Scandinavian International Exhibition of Photography 2025 CREATIVE

Malmö International Photo Society proudly presents
Scandinavian International Exhibition of Photography 2025 CREATIVE
which is the only one in Sweden, and one of the few in the world, for Creative photos.

The exhibition has received Patronage from FIAP, GPU, ISF, NFFF and DIPA.
Photographers from almost 40 countries have sent their photos for assessment, and I should like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted about 150 images for exhibition.
Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize-winning photos.

Please enjoy!

Nils-Erik Jerlemer

Statistics

GLOBAL PHOTOGRAPHIC UNION – GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Gorkle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
